

CHAPTER 7

High Adventure Awards of San Gabriel Valley Council

5 PEAKS

Obtain from the San Gabriel Council a current brochure covering the complete list of requirements. Satisfactory completion earns each participant a patch and a medal.

Requirements:

1. This Award requires five (5) separate and different overnight backpack climbs of five (5) separate peaks in the San Gorgonio Range. San Gorgonio Peak 11,499' and San Bernardino Peak 10,649' are required.
2. The other three (3) may be selected from:
 - a. Jepson 11,205'
 - b. Charlton 10,806'
 - c. Shields 10,701'
 - d. Anderson 10,864'
 - e. East San Bernardino 10,691'
3. The remaining requirements are complicated and, in addition, require complete reports of the individual climbs. Contact San Gabriel Valley Council for full details.

SHAKE, RATTLE AND ROLL

For units experiencing an earthquake while on an outing.

Requirements:

1. Comply with the Area IV general requirements.
2. Must be currently registered Scouts and Scouters with a valid Tour Permit
3. At least two (2) adults and at least one adult currently certified in First Aid.
4. This award is earned by being on a unit outing away from permanent habitation when an earthquake occurs whose epicenter is a magnitude 3.0 or higher and close enough to be felt at the camper's location.
5. Show evidence of earthquake by newspaper article or other acceptable means of epicenter location and strength to a HAT member approving the award. Evidence to be included with award application.
6. Provide copies of tour permit, roster and any other items required for the area (National Forest entry permit, wilderness Permit, fire permit, etc) with the award application.
7. Provide evidence that at least one registered adult on the outing has a HAT certification.
8. This award will be retroactive to January 1, 1990..
